MEETING CIRCULAR

I am directed to convey that the a special meeting of Board of Studies of Department of Physical Education is scheduled on 13-09-2023 at 02:30 pm in the office of Chairman-BOS, Department of Physical Education to discuss the agenda hereunder:

Agenda 01: Relaxation in attendance for the Sportspersons.

It has been observed that the admissions of many sports persons could not converted in various programmes running under Department of Physical Education and many sportspersons who have taken admission could not able to present themselves for their classes and game practice at our campus due to some unavoidable situation like in availability of high standard sports facilities and trainers. In this scenario, the University is losing the good potential sportspersons and it is directly affecting the University sports performance which is a very essential parameter for any kind of rankings. It is proposed the following relaxations to the sports persons for getting more meritorious sports person's admission.

Agenda : **Relaxation in attendance for the Sports persons.**

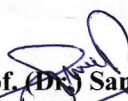

The convener has presented that the admissions of many sports persons could not converted in various programmes running under Department of Physical Education and many sportspersons who have taken admission could not able to present themselves for their classes and game practice at our campus. The reason for not practicing at campus is the non-availability of sports infrastructure and qualified coaches because University department of sports does not exists. Only the teacher education college of Physical Education is running in this situation, the meritorious sportspersons are not taking admission and the players who are engaged themselves for practice of their game prefers the coaching at their local training centers under coaches.

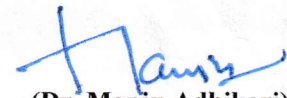

In this scenario, the University is losing the good potential sportspersons and it is directly affecting the University sports performance which is a very essential parameter for any kind of rankings.

Resolution: The Board of Studies has discussed the issue in detail proposed the following relaxations to the sports persons for getting more meritorious sports person's admission.

Category	Level of Player	Privileges	
		Minimum Attd. Required	Sessional Examination
