Subject : Report of board of studies in department of Child Health Nursing

A Meeting of Board of Studies was held on 24/10/ 2020 (Saturday) at 3: 45 PM in department of pediatric nursing, PDMSNC Meerut. The external expert joined the meeting online through Zoom.

1. **Agenda No.1** : Regarding strategies on procedure /practical exposure of the students in the current pandemic situation

Discussion & Resolution: HoD informed that as per the current situation, the students are at home attending the classes and there is limitation in providing practical training, however keeping in mind nursing is a competency based programme, focus should be on skill improvement. For the same, students can be given the links of pediatric procedures from authentic sources and some virtual trainings can be organized for skill development. The external expert and other members also agreed to the same.
