- Inadequate documentation by students
- Limited orientation regarding pathway use for newly posted batches
- The need for better coordination with clinical supervisors and hospital staff

The board agreed that strengthening critical pathway practices will help in improving the quality of nursing care, enhancing clinical decision-making, and ensuring uniformity in student learning outcomes.

Resolution:

The committee resolved the following actions:

1. **Mandatory orientation** on critical pathway usage will be conducted for all students before their clinical postings.
2. **Standardized pathway checklists** will be distributed to all departments to ensure uniform implementation.
3. Clinical instructors must **monitor compliance weekly** and submit reports to the Academic Coordinator.
4. A **review meeting every month** will be conducted to evaluate progress and address challenges.
5. Collaboration with hospital nursing supervisors will be strengthened to ensure coordinated practice and quality assurance.

Agenda 7: Research Publications in SCOPUS, PubMed, and WOS

Discussion:

The importance of publishing in high-impact indexed journals was reiterated.

Resolution:

Workshops and guidance sessions on scientific writing will be organized monthly.

Agenda 8: Filing of Copyrights and Patents

Discussion:
